

The Institute of Emerging Psychologies and The Library at Tellico Village Present:

Ancestors, Answers, and Ancient Mysteries

Thursday, March 19th, 2026

1:00PM – 3:00pm

Tellico Village Library, 300 Irene Lane, Loudon, TN 37774

Online registration required through the Library at <https://tvlibrary.org/classes>

Author, educator and psychologist Dr. Karel J. Bouse is the presenter for this 2-hour interactive exploration into how the lives of our ancestors affect our own worldviews and our way of navigating the world around us. You will learn ways to communicate with your ancestors to access their wisdom that is within you through DNA and the power of epigenetics. Dr. Bouse is the author of *Transgenerational Colonialism* (2021. Lexington Books.)
